

Political Action Fund

It is slightly more than a year since our hard fought, well deserved victory on Question 1, and we have since been working very hard to strengthen our identity and develop greater respect and exposure in the political and public relations arenas. One very important way you have helped us do this is through your personal, "grass-roots" contact with your own representatives and senators.

A second and equally important way for you to help us gain greater identity and respect is to make a financial contribution to the MassPack Political Action Fund (MassPack PAC). Your contribution allow our lobbyists in Boston to gain access to the legislators who are key in making decisions about any proposed legislation that might affect our businesses and our industry. This access allows us to present our position to these legislators and very often gain their support for our cause.

It has been three years since we have asked you for a PAC contribution, and it is now time that we replenish the fund. The return for your contribution is your future business success. The following information should help guide you in making a contribution.

- No corporate or business checks or money orders may be used. You must write a personal check.
- Your individual contribution cannot exceed \$500.
- You must provide your name and complete home address, for we must include this information on mandatory filings we make to the state.
- We must also list your occupation if your contribution is \$250 or more.

Thank you in advance for contributing, and please complete the form below.

Jack Caten, Legislative Chairman

Have you given to PAC 2008?

(You need not be a MassPack member to support PAC)

As a reminder, should you make a donation, you must use a personal check as corporation checks are not allowable.

Once again, I would like to thank you for your consideration in supporting the Massachusetts Package Stores Association Political Action Committee.

Make your personal check payable to: MassPack P.A.C
